INSTRUCTIONS FOR COMPLETING CALRECYCLE 184 COVERED ELECTRONIC WASTE (CEW) RECYCLING PAYMENT CLAIM FORM

Completing Form 184

A California Local Government issues designations to Approved Collectors. The Local Government may use Form 184 (Proof of Designation) to specify and describe the scope of the Designation. The Local Government must transmit a copy of the Proof of Designation to CalRecycle at least 30 days in advance of its use.

Designating Local Government

Name of the designating California city, county, city and county, joint powers authority, or public service district responsible for household hazardous waste or residential waste management planning or services.

Designated Approved Collector / CEWID #

Name of the Designated Approved Collector and its associated covered electronic waste identification number (CEWID #).

Designation Begin/End Dates

The Designation begin date is the date the Designation is issued by the Local Government. The Designation begin date must be at least 30 days prior to any CEW collection activity conducted under the Designation. The Designation end date is the prerogative of the Local Government; however, a Designation may remain valid only while an Approved Collector maintains active standing in the CEW program.

Geographic Area of Service

Description of the geographic area to be served by the Designation Approved Collector under the Designation. Typically, this is limited to those areas under which a Local Government exerts jurisdictional authority and may be further limited as warranted.

Location(s) of Authorized Collection Activities

Specific location(s) of CEW collection activities conducted under the Designation. Please attach additional documents as necessary to account for authorized CEW collection locations.

Method of Collection Activities

Indicate the method of CEW collection authorized under the Designation by initialing each authorized method (e.g. drop-off, curbside, illegal disposal clean-up, special events, etc.). Note that CEW collection of five or more devices from a non-residential source may not be conducted within the scope of a Designation and is subject to full source documentation under 14 CCR 18660.20(j)(1)(C)]

Description of Authorized Collection(s)

Describe the CEW collection activities to be provided by the Designated Approved Collector. Please attach additional documents as necessary to account for authorized CEW collection activities. Note that CEW collection of five or more devices from a non-residential source may not be conducted within the scope of a Designation and is subject to full source documentation under 14 CCR 18660.20(j)(1)(C)]

Designating Authority Representative/Certification

The name and contact information of the Local Government representative authorized to issue the Designation, including a signed and dated certification.

Other Local Government Contact

The name and contact information for a Local Government authorized to be a contact person, if different from the previous contact.

Designated Approved Collector Contact/Certification

The name and contact information of the Designated Approved Collector representative listed in the Approved Collector's CEW program application pursuant to 14 CCR 18660.11, including a signed and dated certification.

Completed Form 184 must be transmitted by the Local Government either by mail:
